Hotel or Accommodation Provider

MULTIPLE SITES

Recognising an outstanding initiative implemented by a hotel or accommodation provider (including serviced apartments) in the past 12 months that has had a significant impact on the sustainability of their business or in the support of clients/guests.

Meeting Venue

SINGLE SITE

Recognising an outstanding initiative implemented by a meeting venue in the past 12 months that has had a significant impact on the sustainability of their business or in the support of clients/guests.

HOW TO DEMONSTRATE YOUR SUSTAINABILITY EXCELLENCE!

Select the category & submit your entry via the ENTER NOW button on the Awards Categories page on our website.

Submit a 60-word summary of what your business does
(this will be used in the instance that you're shortlisted).

In no more than 1,000 words, please tell us why the nominated business deserves to win this award.

Up to two documents of supporting evidence may be attached.

ENTRIES WILL BE JUDGED ON:

- The identification of a sustainability challenge within the business that has been addressed through a dedicated initiative (e.g. solution to reducing food waste).
- Success of the outlined initiative and its positive impact on the business (plus for multiple sites a consistent approach across properties).
- How the initiative has been effectively communicated internally and/or to your target audiences.
- Evidence of team buy-in and sustainability commitment.

ENTRY DEADLINE 31ST AUGUST 2023
