

WE LOVE SUSTAINABILITY HEROES!

Sustainability Champion of the year

Recognising an individual within the travel, events, accommodation and supplier industry who has demonstrated an exceptional commitment to driving sustainability change. This award will be given to a positive role model who has influenced the environmental decisions of their team, business and (potentially) the industry.

Rising Star of the year

Recognising an individual within the travel, events, accommodation and supplier industry, under 30 years of age, who has demonstrated a passion for driving sustainability change within an organisation and/or with customers.

HOW TO DEMONSTRATE YOUR SUSTAINABILITY EXCELLENCE!

Select the category & submit your entry via the ENTER NOW button on the Awards Categories page our website.

Submit a 60-word summary of the individual's bio
(this will be used in the instance that you're shortlisted).

In no more than 1,000 words, please tell us why this individual deserves to win this award.

Up to two documents of supporting evidence may be attached.

ENTRIES WILL BE JUDGED ON:

- How this person has influenced the sustainability decisions of the team, business or industry sector.
- Involvement with industry initiatives to use their voice to educate or support others.
- Evidence of forward-thinking strategy and sustainability achievements.

ENTRY DEADLINE 31ST AUGUST 2023
